Nursing Mothers and Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Shoop's Restorative the most potent, invigorating restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant breastmilk for the child. Expectant mothers too will find it a priceless aid to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can be taken in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, back-aches, dragging-down distress low-down, irregular, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary spots or spots floating before eyes, have diarrhoea, pelvic catarrhal drain, prolapsus, anteversion or retroversion or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Shoop's Restorative.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric (extract of the choicest nutra, medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle wrapper and attested under oath. Dr. Shoop thus invites the fairest investigation of its formula knowing that it will be found to contain only the best agents known to the most advanced medical science for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition, and professional endorsement of the "Restorative," send postal card request to Dr. R. V. Shoop, Buffalo, N. Y., for his free booklet treating of same. You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, and the lungs, are the organs of the body, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is dark, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommended and sell.

WHOLESALE LOCKOUT.

Between 40,000 and 50,000 members of the Boilermakers' Society will be locked out October 5, by the Shipbuilders' Federation in London.

Sometime ago lockout notices were issued because of a number of sectional strikes in which the men left work without giving notice and without discussion of their grievances. These notices, however, were withdrawn and what is known as the "Edinburgh agreement" was entered into. Under this the representatives of the men stipulated that such annoying strikes would be avoided in the future. The society repudiated the action of its representatives, and the federation is now determined to fight the men to a finish.

The chief grievance of the employees is that the executive committee of the Boilermakers' Society has no real power and cannot force the men to observe any agreement which may be adopted. With the prospective strike of the members of the Amalgamated Society of Railway Servants, which, unless prevented, will be one of the most serious ever known in the United Kingdom, the labor situation in England is becoming most critical. A comparison of the cases of the boilermakers and the railway men shows a remarkable resemblance. The chief grievance at present of the railway men is that the companies refuse to recognize their executive, while, on the other hand, the shipbuilders have recognized the leaders of the Boilermakers' Society and come to an agreement with them, but the men themselves refused to be bound by this understanding.

JAPAN AND KOREA.

The prospect of annexation by Japan seems again looming before the Korean people. Marquis Ito is quoted as saying that in view of the increasing gravity of the situation, it may be necessary to alter Japan's policy; that the present situation indicates that the entire people are unfriendly, and if they persist in that attitude, it will be "the last day for them."

Reports to the Tokio papers state the insurgents are gathering from all directions around the city of Seoul with a view of attacking the capital itself. The size of their forces is unknown, but one body of 800 is reported. Roving bands of Koreans under the leadership of former soldiers are operating in all sections of the country, killing the Japanese police, the Japanese railroad and telegraph officials and civilians and all Koreans suspected of friendship for the Japanese. These bands scatter in the mountains upon the approach of the Japanese troops, but usually not before sustaining heavy losses.

Following the policy promulgated by General Hasegawa, many villages are being wiped out by the Japanese troops as punishment for some of the inhabitants joining for insurgents. Both sides are charged with atrocities. The expedition sent against the pirates at Noddo was completely annihilated, the bodies of the Japanese soldiers and their Korean guides, comprising the expedition, being found by a rescuing party horribly mutilated.

The first battalion of reinforcements from Japan arrived at Fusan yesterday, and others are en route. So far the losses of the Japanese troops are comparatively small. The Korean are unreported, but must run into thousands.

Health in the Canal Zone.

The high wages paid makes it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained, however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malaria's inducement with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and stomach, liver and kidney troubles. Guaranteed at E. S. Leadbeater & Son's drug store. 50c.

SENT TO WORKHOUSE.

Upon her refusal to pay a fine of \$25, imposed for disorderly conduct, Carrie Nation was yesterday placed in the "Black Maria," with other prisoners and taken to the workhouse of the District of Columbia. She was arrested Wednesday for lecturing from the Post-office Department steps, and when taken to the First Precinct Station House declined to put up a collateral. As a result she spent the night in the House of Detention. Notwithstanding the fact that she had a roll of bills in her possession yesterday morning, still militant, she appeared in court. Mrs. Nation had taken as a text for her lecture Wednesday morning the cigarette habit. She testified in court yesterday morning that she noticed in front of the building at least a dozen men smoking cigarettes, and she said she told them: "Men, you are making it so disagreeable that I can't get any of God's pure air." This she followed with a lecture pitched in a high key which attracted a large crowd.

Judge Bundy ordered to release Mrs. Nation upon her personal bonds if she would agree not to create further disturbances and congregations in the street by her lectures, but she declined to make this promise.

Keep Arbuckles' Ariosa Coffee in the original package, and grind it at home as you use it. Warming it slightly develops the flavor, and makes the grinding easy.
